

2016 STRATEGIC DETERRENT COALITION SYMPOSIUM

June 20-21, 2016

REGISTER AT: www.SDC-USA.org

University of New Mexico

On behalf of the Strategic Deterrent Coalition and all of its community partners, you are invited to our 2nd annual SDC Symposium to be held June 20-21 on the campus of the University of New Mexico, Albuquerque, NM. This will be another widely attended event featuring senior military leaders and academic experts from the international security arena.

About the Strategic Deterrent Coalition:

The Strategic Deterrent Coalition, or SDC, is a non-profit, non-partisan and community-based organization which supports the U.S. Nuclear Triad and nuclear stockpile. Being non-partisan and community-based makes the SDC unique.

Community-based organizations across our nation have come together to create the Strategic Deterrent Coalition in the belief America must avoid the tendency to understate the complexity of the specialized equipment, facilities, personnel, knowledge and expertise required to properly sustain American's Nuclear Deterrent.

The Strategic Deterrent Coalition exists to educate and inform
